### **WHAT IS A "REVERSE RAFFLE"?**

In a reverse raffle, event "losers" can win big. We sell 350 tickets at \$100 each. We then draw the losing tickets out of a barrel, and every tenth ticket drawn wins a prize.

The excitement builds as the drawn tickets are removed from the master board. Eventually when all tickets are drawn, someone will win the \$10,000 Grand Prize!

Included in the \$100 ticket price are a buffet dinner, music, dancing and 2 free drinks. Additional evening activities include spin the wheel, live auctions, every tenth ticket prizes, and more!
